LEWIS J. LIMAN, United States District Judge:

The Court is in receipt of a letter from Petitioner dated September 22, 2022, which details certain of Petitioner's medical conditions and requests that the Court intervene to facilitate additional medical tests and/or procedures. The relief sought by Petitioner's letter is unrelated to any relief that Petitioner may be entitled to under the federal habeas statute, 28 U.S.C. § 2254. *See Nelson v. Campbell*, 541 U.S. 637, 643 (2004) ("[C]onstitutional claims that merely challenge the conditions of a prisoner's confinement, whether the inmate seeks monetary or injunctive relief, fall outside of th[e] core" of habeas corpus.). Though the Court acknowledges Petitioner's letter, it is unable to entertain the relief sought.
